1. Do the provisions come into effect right away or subject to the vote in the HoC and Senate?
2. Could you run through how the conditions meet the threshold criteria of the act?
3. Have the results changed your evaluation of the national security character of the situation?
4. Do you have formal supports from the government of Ontario?
5. Senator Quinnn: Who will prosecute offences under the EA (fed/prov)?
6. Do you have enough authority to intervene everywhere?
7. What is the resolution process and speed in case of error or mistakes of individuals being flagged?
8. We do we have to enforce this act? The situation is currently on in Ottawa and it isn't the first or last.
